SPRINGTIME ON
BARNES COMMON.

LL109104

TUCK'S POST CARD

CARTE POSTALE — POSTKARTE

By Appointment.

Barnes Common lies between Putney and Barnes, and is about 120 acres in extent. It is a favourite resort with residents at all times, and in the spring is in its full glory when the gorse is in bloom, presenting a beautiful feast of colour, reminiscent of the open heath lands "far from the madding crowd."

(FOR ADDRESS ONLY.)
